Learning for life

Newsletter: Term 3, Week 2, 2021

Tena Koutou Katoa,

As promised we have started term 3 with lots of excitement, enjoying learning about the Olympics and seeing the New Zealand team successes. Last week our students got to participate in either bike safety (for the older children) and scooter training (for the younger children). This was provided by the Hutt City Council and will support our students to enjoy the bike track and hopefully make them feel more confident when riding out on the streets and pathways around the Hutt. Today we had padder tennis sessions for our year 3-6 students.

You will have received a paper notice about our upcoming swimming lessons. We have done this so that we can collect the information we need for the swimming instructors. Please return this notice as soon as possible and if it has gone a little astray, please ask the classroom teacher for another one. This year we are swimming at Huia pool over a 2 week period - we know this impacts on families, particularly the washing so hopefully we have some settled weather.

In the next two weeks we will have learning conversations on Thursday 12th August and Thursday 19th August. We hope to see you all there. Please book through the Skool Loop App or ask the teacher or office to book for you. This is a great opportunity to discuss the mid-year reports.

Welcome to Dyer Street School to our new students:

Charlotte, Harper & Jase in Room 1

We hope you are enjoying your time with us!
