Kiaora! Bonjour! Talofa! Konichiwa!

Ko Whaea Bee Ahau. He kaiako ahau ki te kura o Dyer St.

I'm Whaea Bee and I am the new teacher starting at Dyer St in 2023. I am excited to be sharing my knowledge and I can't wait to meet you all.

I was raised in Taranaki, where I lived most of my life but now I am currently living in Naenae. Me and my husband Anaru have 4 daughters, Sharniqua (21), Nadya (19), Pikiteora (18) Letisha-Rei (16), Oh..... and I can't forget our Fox Terrier Milo. Growing up in a big whanau I knew I wanted to share my life experiences and knowledge with others and this is one of the reasons why I became a teacher. I completed a 3 year degree at Te Awanuiarangi in Maori Performing Arts in 2016 and then I did a postgraduate diploma in teaching at Victoria University in 2019. This is my fourth year in teaching and I am extremely happy to be at Dyer St School. I am very passionate about my maoritanga which will flow naturally through our kopā. I thrive on student growth and I love seeing tamariki go from strength to strength, to achieve at the best they can. Naku te rourou, Nau te rourou ka ora ai ngā tamariki. Which means: With your basket and my basket the children will thrive. My interests involve spending time with my whanau and friends. Swimming, dance, singing, kapa haka, supporting community events and participating in sports-whether it is coaching, watching, or supporting in any way.
