

# NEWSLETTER WEEK 4 TERM 2 2023

Friday 19th May,

Kia ora koutou katoa,

It was a pleasure to get back to some of my earlier days in education by taking a small group of our Year 6's down to the Year 6 Try Challenge Event at Hutt Recreation Ground on Tuesday. As a former sports co-ordinator at my previous schools, taking kids out on these events was the norm, and it was nice to get back in this mode just for a couple of hours. Our tamariki were outstanding, particularly showing our value "Never Give Up" as they tackled the obstacle course. It made me think about how we could run a similar event at our kura for our community in the summer. Watch this space!

Our Akonui classes will be moving across into the new classroom spaces in Block C (Prefabs) in Week 8 or 9 of this term dependent on the arrival of our new furniture for these spaces. This move allows most of students to be in refurbished learning spaces and the opportunity for Akonui to be together in one space again. In 3.1 of our strategic plan, we talk about creating modern and inclusive environments. The furniture we have selected provides for flexible and adjustable seating arrangements and at various heights for tamariki to choose and select what best suits their needs. This is an exciting step forward for our kura and we are looking forward to the move across.

You would have noticed that the building site across from our school has picked up its intensity. There are a lot of vehicles and general movement within this space. We are in contact with the site around upcoming changes but are advising all our tamariki and whānau to take caution when driving and walking within the vicinity.

Over the next few weeks, we will begin to look at our school vision and logo. Already I have some amazing pictures and ideas from the tamariki. Next week, I will be sending out some information for whānau to get involved in this process by having a go at creating something that you feel represents our school in a vision statement and logo. This will be open for a couple of weeks before we close it off and work with a marketing company to finalise the design brief. This is an important piece of work that will help to shape our future branding and narrative for our kura.

## Dates to remember:

- Friday 2nd of June - Whole School Assembly
- Monday 5th June - King's Birthday - School Closed
- Friday 9th June - School Disco
- Monday 12th June - Link Up Committee Meeting

# From the Link-Up Committee

The Link-Up committee is our friendly and laid-back parent-led "fun and fundraising" committee.

They are always looking for parents and friends of the school to get involved! If you'd like to know how you can be part of it email [linkupdyerstreet@gmail.com](mailto:linkupdyerstreet@gmail.com)

## Disco Friday 9th June - Parent Volunteers Needed

Funds going towards school camp for year 5 & 6. We need volunteers to be on the door, supervision, decorating, pack up and selling kai. Please get in touch either by leaving your name at the office or emailing [linkupdyerstreet@gmail.com](mailto:linkupdyerstreet@gmail.com)

The next Link Up committee meeting is on Monday June 12th held in the school library at 7:30 p.m. We welcome new faces and attending doesn't commit you to anything! Feel free just to come along to chat with other DSS parents.

## Hutt Fest Preparation

Have you ever thought about what you would like us to have in our Outdoor Learning Environment? Here is your chance to let us know.

As part of the Environment/ Taiao section (3.2) of our School Strategic Plan we are in the process of establishing a plan for our Outdoor Learning Spaces. We are currently surveying all the children and staff at school to find out what they feel are the most important things they would like to have included. Your voice is very important to us too! It would be greatly appreciated if you could spend a few minutes completing the survey as this will help us prioritise the most important aspects as we develop our plan. The last day for completing the survey is Friday May 26th. It is not necessary to make a sandpit design. However, feel free to send one to Miss Langley in Room 1 if you would like to. We are open to all ideas.

Thank you in advance for your time in doing this. We will let you know more as the results come in and the plan is developed.

Kind regards  
Bronwyn Langley
